### Description

The Swift 56" ceiling fan from Mercator is now available in a 316 Marine Grade Stainless Steel. The fan is entirely made of stainless steel from the blades and canopy right down to the washers and screws which makes it perfect for outdoors and near coastal areas.

This ceiling fan comes with a 3 speed wall controller with light switch and comes pre-assembled for easy installation. The Swift 316 is the first Mercator ceiling fan to have the ability to set up the fan in either 3 or 4 blade configurations, the choice is totally yours. The Swift 316 comes with 4 blades in the box, but if three only are wanted then the additional blade is kept as a spare or disregarded.
