

SPYDA^{DC}

Spyda DC ceiling fans are built on over a decade of innovation and enhancements, bringing you the latest in DC powered 3 Blade fans.

- Energy efficient DC motor technology
- Low noise output makes the Spyda DC an ideal fan for small bedrooms, home offices, nooks and any application that has limited space
- Precision moulded polycarbonate composite blades designed for superior balanced performance
- Reversible airflow option for summer or winter
- Spyda DC is backed by a six year warranty
- Suitable for indoor and covered outdoor areas
- Features a 3 speed wall control designed for simple AC upgrades
- Optional six-speed remote control with timer function sold separately (SDCRC)
- Remote and Wall Control can operate simultaneously for versatile fan use. See latest remote instruction manual for more details
