The Greta-II is classic looking vanity light with a smart silver finish and slimline shape which forms a discreet design that will suit many rooms. A 4200K neutral white light source that sits behind an acrylic diffuser producing a bright, soft illumination. A popular and practical choice for bathrooms and laundries.

- Bright white light 4200K colour temperature.
- Polycarbonate diffuser to minimise shadows and glare, whilst providing ample light.
- IP20 rated for indoor use.
- Made from durable aluminium, with acrylic diffuser.
- Features an attractive silver finish.
- Available in two sizes.....
- 3-year replacement warranty

APPLICATIONS

- For use in bathrooms, kitchens, laundries and powderrooms
