QUICK & EASY INSTALLATION

KEY FEATURES

EFFICIENT & SILENT MOTOR

Lower power bills and a quiet night sleep, now that's Brilliant!

MULTI FAN CONTROL

Easily pair your wall controller to your second fan (or more) without extra wiring.

EASY UPGRADE & RETROFIT

Thinking of upgrading your traditional AC ceiling fan?

The Cairns DC Lite is designed to make the transition to DC motor easier, with the same 3-Speed wall controller installation, just like AC.

With an Isolation and a dedicated Light switch provided, you can use it to control your fan light or other external light without any hassles.

WALL CONTROLLER incl.
