

CYCLOPS-FL LED Floor Lamp

Description

CYCLOPS-FL Mother & Child floor lamp Series offers a modern and multi-functional floor lamp, designed for multi-purpose applications. The popular design features an 20W LED uplighter (Mother) and a 7W task light (Child). The Uplighter (Mother) allows the flexibility to direct light up or down, or both up and down. Ideal for children's bedrooms as well as living rooms and study areas. Push and hold Dimmable Function available for both lights, as well as a push switchable function producing a nice 3000K Warm White, 4000K Neutral White, 5000K White or 6000K Daylight, depending on your LED colour temperature preference. This simple design offers a suitable appearance for most modern interior decors and is perfect for entertainment areas as a feature lamp.
