

DASH-8 Downward LED Wall Light

Description

The DASH Series is a surface mounted LED wall light series available in different light emitting options. The DASH-8 is a downward only light emitting model, as well as the DASH-13, which illuminates both upward and downward to create that subtle welcoming effect. The DASH series is also rated at IP65, giving you flexibility in indoor and covered outdoor applications. Constructed from die-cast aluminium and includes a tempered glass lens. Behind this lens sits energy saving SMD LED chips, with specially designed optical lens that create spectacular wall washing effects. Available in Warm White 3000K and White 5000K colour temperature options. The DASH series comes complete with our Three Year Replacement Warranty for peace of mind.
