

DECO-TILT-TRIO Tilttable LED Downlight

Description

The DECO range of LED downlights have been designed with a deep-set frame to reduce glare from the light source. Featuring a wide light distribution, and with an ultra slim housing, allows for this downlight to be suitable for installations where ceiling space is minimal. Complete with a dimmable LED driver and flex and plug. Fully dimmable with Domus dimmer series.

Now with TRIO, the added option of changing the colour temperature output of the downlight with a dip switch at the back of the fitting.
