

Dent I Downward LED Wall Light

Description

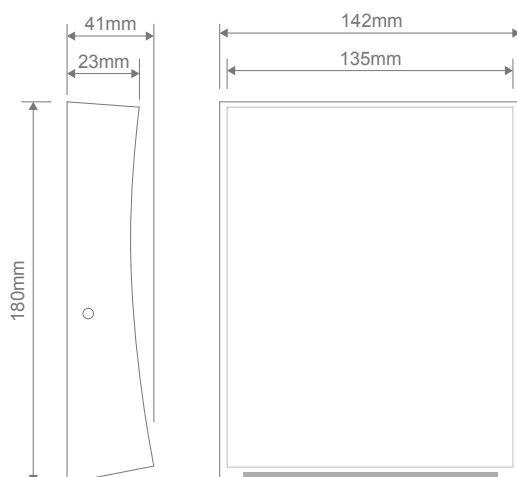

The DENT series of LED Wall Lights are a unique and slimline LED Wall Light series, perfect from front entry and back patio areas. Featuring a high quality cast aluminium frame powder coated in textured black, or textured white with Tri-Colour LED Colour Temperature switchable options. Choose from 3000K Warm White, 4000K Neutral White or 5000K White colour temperatures with the flick of a switch. Available in a 6W LED downward Wall Light model or a 2x6W LED Up/Down Wall Light model. With the additional benefit of being IP54 rated, the DENT series of LED Wall lights can be placed both indoors and undercover outdoors to create excellent up and down illumination for your contemporary home. Non-dimmable. Backed by a 3 year replacement warranty for peace of mind.
