

ELITE-1-ADJ LED Spotlight

Description

The ELITE-1-ADJ is a high quality, weather-resistant, adjustable and rotatable GU10 LED spot light perfect for mounting to any exterior walls and surfaces and keeping desired areas lit with it's 60° beam angle.

ELITE-1-ADJ is constructed from 6063 grade aluminium and has a natural anodised finish to complete its architectural look. Together with silicon gaskets and seals, the ELITE-1-ADJ is strong, resistant (IP65) and looks great in any application. Also, The ELITE-1-ADJ is backed by our Three Year Replacement Warranty for peace of mind.
