

## EMIT-85-TRIO-WW-AB

### Tri-Colour Inground Wall Washer Light - Antique Brass

#### Description

Introducing the EMIT-85 LED Inground Light Series. The EMIT-85 is a 85mm overall diameter inground light with a cutout of 65mm without cannister, ideal for lighting up features where minimalistic light effects are required. Featuring a 4W/6W LED output, with two different fascia plates and metalware colour options. Choose from Round Open or Square Open, the metalware colour options range from Black, Stainless Steel, Antique Brass and Brushed Brass. Tri-Colour Selectable: Choose from 3000K Warm White, 4000K Neutral White and 5500K White colour temperature options. Functional with 12 and 24V DC Constant Voltage LED Drivers. Part of a family of different sizes to suit most inground lighting applications. Backed by a 5 Year Replacement Warranty.

#### Specification Features
