

BLACK CURVED ALUMINIUM PROFILE

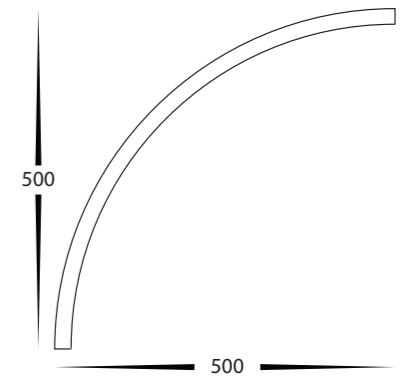

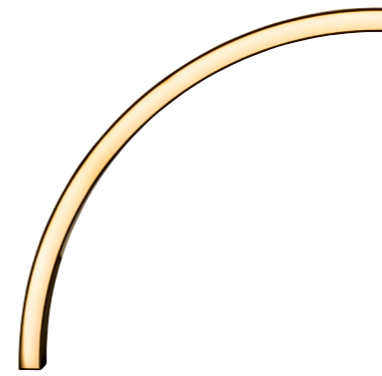

Havit Commercial would like to introduce the latest products in its Profile Range, This new product includes 3 sizes of already curved profile so you can design particular shapes required. It also includes a Straight model to give you more flexibility with your design. As standard each model comes complete with a Opal PC Diffuser but has an option of a Silicon Long Run Diffuser to give you the continuous look you may be after. This particular Curved profile is used with our Bendable LED Strip models available.

For more information contact our friendly sales staff or your Havit Commercial Sales Representative.
