

DC FAN WALL CONTROLLER

12
MONTH
WARRANTY

FRMDC99

The FRMDC99 is a DC wall controller suitable for use with most ceiling fans that have a DC motor. It can be used for fans with or without a light, with multiple functions to offer.

FEATURES:

- **FAN ON & OFF**
6 speed settings with light indicator
- **LIGHT ON & OFF**
Dimmable
- **4 pre-set colour temperatures:**
 - Warm white
 - Neutral white
 - Cool white
 - Daylight white
- Consistently changeable colour temperature
- 1, 4 & 8 HR TIMER

SUMMER/WINTER FEATURE:

To change the ceiling fan's Summer/Winter operation, use a flathead driver to open the wall controller's cover from the bottom.

Then, a small switch will be visible in the centre of the controller with initials 'S' and 'W'. Change the dip switch to whichever preferred mode.
