LED GU10 TC 6W 4000K

SKU:A-LED-970654055

A retrofit GU10 LED globe that looks just like a halogen GU10 globe featuring TC (Temperature Controlled) energy management technology. The integrated circuit manages the temperature of the globe, extending its life (making it ideal for use in outdoor spotlights). The all glass globe, with COB LED and mirrored reflector is also an excellent replacement for a halogen GU10 globe in applications where the globe is exposed.

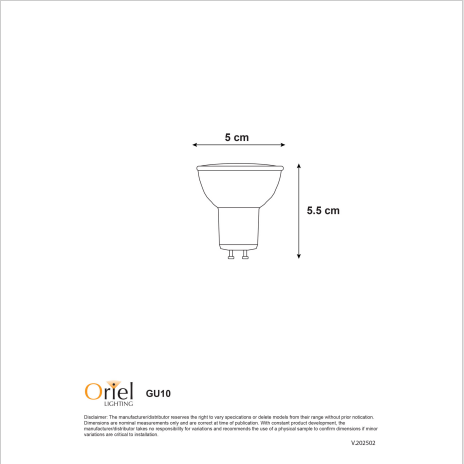

Additional information

Shipping Weight	0.2 kg
Shipping Carton Dimensions	6.0 × 5.1 × 5.1 cm
