STABB FLOOR LAMP

SKU:OL93283NAT

Our Stabb tripod lamp is crafted from finger jointed pine timber and is a lovely addition to our Scandi lighting range. The timber ring around the base is designed to make the Stabb stable and stylish. Our new version of the STABB is supplied unassembled - with the allen key provided it is very easy to put together. The foot switch is located on the clear PVC cord. Stabb floor lamp base looks great with a tapered shade (available separately).
