DIMMER LED Dial

SKU:OLA19/01

Universal dimmer mechanism suitable for use with incandescent and LED loads from 10W to 250W. Designed to fit into Clipsal (R) standard switch plates. This dimmer works with most LED loads, and will dim down to 10% of full brightness in most cases. Like all LED dimmers, testing for your application is recommended as not all LEDs and Dimmers are compatible. We have tested this mechanism for use with our range of LED fittings.
