

YORK-12 LED Wall Light

Description

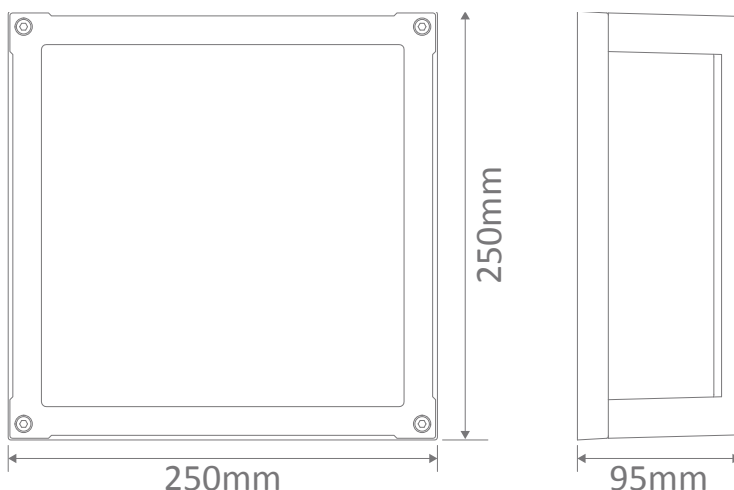

The YORK is a modern and stylish IP65 Wall light series that offers a flush and compact solution to front facades or back patio areas where ambient lighting is required, as well as lighting sides of the house. The YORK-7 provides a softer ambient light at 7W in a compact rectangular shape, while the YORK-12 offers a more powerful light output solution at 12W in a larger square shape. Featuring a Black, White or Dark Grey powder coated Aluminium frame, with an opal glass diffuser to give a wide spread of light. Available in Warm White 3000K or White 5000K colour temperatures. Backed by our 3 Year Replacement Warranty.
