Description

The Mercator Hayman 52" Ceiling Fan is a timeless design featuring reversible timber blades with an aluminium housing.

The Hayman ceiling fan also has a 3 speed pull chain switch, Mercator airflow control system and is easily adapted to a light kit and/or a remote control.

With Mercator's traditional design for the Hayman ceiling fan it is bound to turn heads. This particular ceiling fan comes in a stunning high quality antique brass finish with reversible timber blades (oak or walnut colour).

Please note: Mercator has discontinued the light kit for this colour fan.
