Description

Experience the elegance of Mercator's 1300mm (52") designer ceiling fan. This exceptional fan offers two lampholders for enhanced functionality, compatible with B22 (BC) lamps, including Fluorescent, Incandescent, and LED globes.

Designed with efficiency in mind, it is ideal for 2 x 20W B22 Compact Fluorescent Globes.

Noteworthy features include a 12° blade pitch, effortless pre-assembly for quick installation, a convenient 3-speed wall controller with a built-in light switch, the innovative Mercator airflow control system, and a powerful 60 Watt motor.
