Description

The Brushed Chrome and Black Clarence from Mercator is a 3 blade ABS ceiling fan spanning 56" (1420mm) in diameter.

Most suited for master bedrooms and large living areas, installation can occur both indoors and outdoors, provided it's in an enclosed area such as a patio or alfresco. Its 75W AC motor is quiet in operation with a max airflow of 12,336 m3/hr. A summer/winter reverse switch is located on the motor housing.

The Clarence ceiling fan has a 13W CCT and Dimmable LED Light with a lumen output of 700lm - 750lm - 700lm.

Please Note: This Clarence is dimmable when installed with a compatible dimmable remote or a wall dimmer (sold separately)
