Description

The newest in Smart technology!

Mercator's Ikuū range has launched with a vast range of Smart products for your home now available!

The Minota DC ceiling fan in Brushed Chrome and Black has an incredibly efficient and whisper quiet 35W DC motor, with 6 total speeds available on the remote and Ikuū app.

Its 3 ABS moulded plastic blades and powder-coated metal motor housing ensures quiet operation. These include bedrooms, living and dining areas.

The Ikuū app (available on Apple App Store and Google Play) allows automation and customisable timers for the fan when connected to WiFi (2.4GHz), setting up routines for more efficient usage.
