### Description

The Mercator Swift 48" ceiling fan is a rod mount-system in a metal construction suitable for indoor use only.

This ceiling fan comes with a 3 speed wall controller including a light switch. A light kit can easily be attached to the ceiling fan.

Mercator's high volume Swift ceiling fan utilises 4 blades for maximum longevity, each blade is pitched to 22 degrees giving fantastic airflow while producing minimal air noise. This stylish ceiling fan comes in a stunning high quality brushed chrome finish.
