Description

The Instinct DC ceiling fan by Mercator is an energy-efficient low-profile ceiling fan. At only 183mm from ceiling to blades the Instinct is perfect for low ceilings.

The Instinct combines the latest in DC motor technology with three ABS moulded blades to create excellent air movement whilst operating quietly and only consuming a fraction of the electricity used compared to a standard AC ceiling fan.

The Instinct DC ceiling fan comes complete with a remote control with the following features:

- 6 adjustable speeds
- Summer/winter reverse
- 1hr/4hr/8hr fan timer

Please note: This fan is **WITHOUT** a light variation.
