Description

The White Clare 54" (1370mm) from Mercator with B22 Light is an ABS and thermoplastic ceiling fan suitable for both indoors and outdoor under covered areas.

A perfect size for wider air circulation, the Clare's UV resistant parts are ideal for protection against corrosion outdoors. Quick connecting wiring ensures quick installation for electricians with an included 3 speed wall control and light switch. A summer/winter reverse switch is found on the motor housing.

The Clare has 2 x B22 lamp holders with a max wattage of 15W each. The lamp holders are compatible with LED globes.
